The Clearfield Aquatic Club is excited to announce the release of our new website. The website will host current information for both the YMCA swim team and the Community Pool team. As the site continues to grow, we hope to make this your "go to" site to keep you updated on what is happening with the team.

From time to time we take pictures during swim meets and/or practice. We would like your permission to use these pictures on our web-site to enhance the appearance and boost team spirit. We will never provide any specific information regarding your child. We will keep this form on file for the length of your child's participation in Clearfield swimming. If you do not sign a form, we will assume you do not want your child's photo posted.
